SUPPORT Magazine is the new print and digital media dedicated to contemporary drawing and its talents.

On March 26, SUPPORT Magazine releases its first issue, a printed collection of a selection of around 100 illustrations.

SUPPORT is an annual book that presents a selection of artists, all significant figures in the contemporary art and drawing world. The profiles of the artists published, and the techniques they use are diverse and respond to a form of excellence. Each year, the editorial staff of SUPPORT invites a hundred artists to choose the drawing they are most proud of and to explain the reasons in a short text.

About la librairie du jour

Created in 1984 by agnès b., la librairie du jour is an art bookshop.

It features all publications produced by la galerie du jour's publishing arm, including works by Raymond Hains, Harmony Korine, Martin Parr, Hugues Reip, Malick Sidibé and many more, as well as literary works and merchandising related to our new space, La Fab.

In close collaboration with la galerie du jour and la collection agnès b., la librairie's regular program will be enriched by a series of book signings, conferences and artists' conferences.

About La Fab.

Stylist, philanthropist and art collector agnès b. has promoted artistic creation under all its forms, the environment and solidarity for many years.

“La Fab.” aims at bringing all these activities together under one single roof.

As a gallerist since 1983, agnès b. presents a first exhibition entitled “La hardiesse dans la collection agnès b.” (Boldness in the agnès b. collection) including works from her own collection, with the help of the historical team of galerie du jour. La Fab. also includes « la galerie du jour », which will become a kind of house where everything is for sale: paintings, sculptures, photographs, some furniture ... agnès finds herself « ensemblière » as she likes to say

La Fab. also houses la librairie du jour, a bookstore where publishers are invited to contribute to the selection and presentation of works on display.

Le point d'ironie is distributed here.

Finally, La Fab. spotlights the social and humanitarian actions supported by fonds de dotation agnès b., as well as agnès's environmental activism, spearheaded by Fondation Tara Océan.
